

## Less will be much more - more profit for your company

Exceptionally, we have exchanged the keypad to a camera. The result is our new product film, which gives you the ability to deal with the packaging solution for the future that you previously might only know from press reports.

So far the title strip, now enjoy the movie!  
Have a good time - your team from project Automation & Engineering!

Visit us at the fair **FachPack (Nuremberg, Sept. 29 th to Oct. 1<sup>st</sup>, 2015)**. We'd like to welcome you: hall 4, booth 516. Visualize and see how you can profit by the PROsmart and help to save the environment!

And if you have any questions or need further support – we'd like to be there for you under +49 (0) 2826 9145-0 or [info@project-ae.de](mailto:info@project-ae.de) .
